Plugin settings changed for Linter-stylelint:

Removed check for "Disable when no config is found"
Add check for "Attempt to fix styles on save"
Add check for "Show message when a file is ignored"
Add check for "Use standard"

Cross-browser testing:
I found no issues during the cross-browser testing.
I tested for all 4 including windows 10 and Mac 10.14.

Windows 10, was tested with:
- Chrome 93
- Firefox 92
- Microsoft edge 93

Mac 10.14 was tested with:
- Chrome 90
- Firefox 91
- Safari 12
